

Call for Participation

We invite you to join us in **10thInternational Conference on Software Engineering (SEC 2024)**

This Conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Software Engineering and Techniques. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern software engineering concepts and establishing new collaborations in these areas.

Highlights of SEC 2024 include:

- 11th International Conference on Signal and Image Processing (SIGL 2024)
- 10th International Conference on Cryptography and Information Security (CRIS 2024)
- 11th International Conference on Computer Science and Information Technology (CoSIT 2024)
- 11th International Conference on Cybernetics & Informatics (CYBI 2024)
- 10th International Conference on Data Mining and Applications (DMA 2024)
- 11thInternational Conference on Artificial Intelligence and Applications (AIAPP 2024)
- 5thInternational Conference on Big Data (CBDA 2024)
- 5th International Conference on Natural Language Processing and Machine Learning (NLPML 2024)

Registration

Non-Author/ Co-Author/ Simple Participants (NoPaper)

450 USD (Face to Face) / 100 USD (Online)
